Chester Snowman

Trace body and hat pieces onto double thickness of muslin or Osnaburg.

Sew body together, cut a slit into the back of his body, turn right side out and stuff body...add rags for weight...sew slit closed.

Stitch on eyes and mouth onto snowman face using Black DMC Floss.

Brush coffee stain onto snowman's body, dry outside or in 200 degree oven, watch carefully, lightly sand.

Sew hat pieces together, stuff top, paint black, dry outside or in 200 degree oven, watch carefully, lightly sand.

Secure hat to head with stitches or glue.

Using small scissors cut a small slit on each side of his body to attach his twig

arms...add a small dab of glue to twigs and press into his body to secure.

Using small scissors cut a small slit on his face to attach his twig nose...add a small dab of glue to twig and press into his face to secure.

Dust him with cinnamon and done.

Coffee Stain Mix

One cup of instant coffee, to one cup of warm water. Add two tablespoons of cinnamon...mix together.

Add more cinnamon for a grungier look.
